EXAMPLE LESSON PLAN

STARTER ACTIVITY

Explain today's LO .

Give out sticky labels for the children to write their names. Sit the children in a circle and go through your 'All about me' presentation using lots of Spanish throughout.

Practise the phrase 'me llamo...' aloud with the class. Using a soft toy, carry out the introduction role play in the circle.

Differentiation: Use actions for the new vocabulary to aid children

LEARNING OBJECTIVE

To understand why we learn languages

SKILLS

Creativity, communication
commercial awareness, problem
solving, planning and
organisation

PLENARY

Children to reflect on today's LO. Ask children to raise their hands to share their learnings. Who can remember what 'me llamo...' means?

MAIN ACTIVITY

Explain to the children that we need to know the importance of Spanish and why we learn languages. Today we will be creating a Y3 display board with their thoughts on why we learn languages. The children will use iPads/Computers to work in teams to do research on the benefits of this.

Ask the children to volunteer to share their findings. Ask for voluntarios to hand out the worksheets for the children to write their favourite reason and draw a picture that represents Spain to them.

Differentiation: Provide a copy of the example display board to give inspiration
